Greetings!

Ever wish you could get up-to-the minute campaign information, leaflets and links to resources sent right to your inbox? Well... have you heard of CAW Connected? If you've heard of it, have you signed up? Now's the time, my friend!

CAW Connected is an exciting new communication system which allows activists right across the country to keep in touch with current campaigns and important issues in the union and find out how to get involved. It's the first of it's kind of any union in the country! CAW Connected was launched at December Council –December 4-5, 2009 and is quickly gaining momentum.

But the success of CAW Connected depends on you! So sign up today!

Here's how:

Visit: <http://connected.caw.ca/>

Be sure to fill in your name, local union, postal code and email. Once you have the CAW Connected account, you can add more information as you like.

After you sign up, you'll hear from us once or twice a month with the latest information on campaigns and how you can get involved. CAW Connected can also sort by postal code, so this means targeted information for your riding come election time!

So far we have nearly **800 people** signed up across the country –we want to hit 1,001 by the end of this month. That's where you come in –be sure to sign up today and pass along this message to your contacts!

*CAW Staff, co-ordinators, CBOs and support staff will be signed up automatically.

In solidarity,

Shannon Devine
Communications Director
